

Global Migration Advisors (Atlanta and San Francisco Offices)

Berry Appleman & Leiden LLP (BAL), a leader in the provision of worldwide visa and immigration services, seeks highly motivated individuals to work in our U.S. offices located in Atlanta, Georgia and San Francisco, California. (We have multiple openings for Global Migration Advisors.) You will work with a dynamic legal team in obtaining work permits for corporate clients sending employees to over 120 countries. Responsibilities include coordinating with clients regarding business visas and work permits for countries around the world and assisting attorneys and immigration managers in the preparation, filing and tracking of applications.

Qualified candidates will have from one to five years of global immigration experience, must possess excellent writing skills, be highly organized, and have the ability to multi-task. Also must be able to work within strict time lines, have excellent customer service skills, and a high attention to detail. Bachelor's degree required.

Please email cover letter, resume, and salary requirement with the title 'GMA' to careers@balglobal.com. Please indicate preferred employment location in your email.

Note to Third Parties: BAL is not accepting resumes or referrals from agencies. If you are a recruiter, search firm or employment agency, please be advised that your submissions will be considered gratis and you will not be compensated in any way if your referral is hired by BAL.
